## Student EE Project Roadmap

This document should be completed a week or so after your first phone call/meeting with the client/ community partner. Your professor can assist you when completing it. Using this form to clarify what is expected of you by the organization will serve as a reference to keep your team 'on track'.

<b>Project Overview:</b> (as your team understands it)	<b>Date completed:</b>

<b>Community Partner Contact Information:</b> (name/ phone# / email/ back-up contact info)

<b>Project Draft/Description:</b> (notes/ main points are fine – try to relate them to the course content)

<b>What does the Community Partner expect re: key deliverables/outcomes for your EE project?</b>

Your professor is available to coach and assist you throughout the project
