

Committee on Curriculum, Curricular Policy and Standards

Consent Agenda Items October 2015

1. Changes to Existing Degrees/Certificates

- **Bachelor of Arts - Department of Social Science: BA (Hons) Health & Society**
Effective session of change: Fall 2016

Rationale

This proposed course change fits current field of study and program goals and is optional. This course will contribute to the program learning outcomes by:

- Providing an experiential collaborative learning activity that combines student research and scholarly course knowledge that can be the basis for further study, transferable skills.
- Imparting a sophisticated understanding of health as a complex intersectional, interdisciplinary subject.

All approved general education courses may count for general education credits; some may count for major credits; none may count as both.</p> <p>Honours BA: 120 Credits</p> <p>Residency requirement: a minimum of 30 course credits and at least half (50 per cent) of the course credits required in each undergraduate degree program major/minor must be taken at York University.</p> <p>Graduation requirement: students must successfully complete (pass) at least 120 credits which meet the Faculty's degree and program</p>

which meet the Faculty's degree and program requirements with a cumulative grade point average of at least 5.00.

General education: a minimum of 21 general education credits as follows:

- 6.00 credits in natural science (NATS)
- a 9.00 credit approved general education course in the social science or humanities categories
- a 6.00 credit approved general education course in the opposite category to the 9.00 credit course in social science or humanities already taken

Major credits: students will take at least 42 credits in health and society including the following:

- AP/SOSC 1801 6.00 / AP/SOSC 1809 6.00;
- AP/SOSC 2110 6.00;
- AP/SOSC 3993 3.00;
- 15 additional credits at the 3000 level or above chosen from the list of health and society courses, including at least six credits from the Department of Social Science;
- AP/SOSC 4140 6.00 or two of the following: AP/SOSC 4145 3.00, AP/SOSC 4146 3.00, or AP/SOSC 4150 3.00;
- six additional social science credits at the 4000 level chosen from the list of health and society courses.

Upper-level credits: at least 36 credits at the 3000 or 4000 level, including at least 18 credits at the 4000 level.

Credits outside the major: at least 18 credits. (**Note:** students who are completing a double major or major/minor are deemed to have fulfilled this requirement.)

Honours Double Major BA

The Honours BA program described above may be pursued jointly with approved Honours Double Major degree programs in the Faculties of Environmental Studies, Health, Liberal Arts and Professional Studies, or Science, the School of the Arts, Media, Performance and Design, or the Lassonde School of Engineering. For further details on requirements, refer to the listings for specific Honours programs that may be pursued jointly with other Faculties.

Note: in a double major program, a course may count only once toward major credit.

Honours Double Major Interdisciplinary (Linked) BA

The Honours BA program described above may be linked with any Honours Double Major

requirements with a cumulative grade point average of at least 5.00.

General education: a minimum of 21 general education credits as follows:

- 6.00 credits in natural science (NATS)
- a 9.00 credit approved general education course in the social science or humanities categories
- a 6.00 credit approved general education course in the opposite category to the 9.00 credit course in social science or humanities already taken

Major credits: students will take at least 42 credits in health and society including the following:

- AP/SOSC 1801 6.00 / AP/SOSC 1809 6.00;
- AP/SOSC 2110 6.00;
- AP/SOSC 3993 3.00;
- 15 additional credits at the 3000 level or above chosen from the list of health and society courses, including at least six credits from the Department of Social Science;
- AP/SOSC 4140 6.00 or AP/SOSC 4147 6.00 or two of the following: AP/SOSC 4145 3.00, AP/SOSC 4146 3.00, or AP/SOSC 4150 3.00;
- six additional social science credits at the 4000 level chosen from the list of health and society courses.

Upper-level credits: at least 36 credits at the 3000 or 4000 level, including at least 18 credits at the 4000 level.

Credits outside the major: at least 18 credits. (**Note:** students who are completing a double major or major/minor are deemed to have fulfilled this requirement.)

Honours Double Major BA

The Honours BA program described above may be pursued jointly with approved Honours Double Major degree programs in the Faculties of Environmental Studies, Health, Liberal Arts and Professional Studies, or Science, the School of the Arts, Media, Performance and Design, or the Lassonde School of Engineering. For further details on requirements, refer to the listings for specific Honours programs that may be pursued jointly with other Faculties.

Note: in a double major program, a course may count only once toward major credit.

Honours Double Major Interdisciplinary (Linked) BA

The Honours BA program described above may be linked with any Honours Double Major

Interdisciplinary BA program in the Faculty of Liberal Arts and Professional Studies. Students must take at least 42 credits in health and society and at least 36 credits in the interdisciplinary program. Courses taken to meet health and society requirements cannot also be used to meet the requirements of the interdisciplinary program. Students in these interdisciplinary programs must take a total of at least 18 credits at the 4000 level including at least 12 credits in health and society and six credits in the interdisciplinary program. For further details of requirements, refer to the listings for specific Honours Double Major Interdisciplinary BA programs.

Note: in a double major program, a course may count only once toward major credit.

Honours Major/Minor BA

The Honours BA program described above may be pursued jointly with approved Honours Minor degree programs in the Faculties of Environmental Studies, Health, Liberal Arts and Professional Studies, or Science, the School of the Arts, Media, Performance and Design, or the Lassonde School of Engineering. For further details on requirements, refer to the listings for specific Honours programs that may be pursued jointly with other Faculties.

Note: in a major/minor program, a course may count only once toward major credit or minor credit.

Honours Minor BA

The Honours Minor BA program described may be combined with any approved Honours BA program that offers a major/minor option in the Faculties of Environmental Studies, Health, Liberal Arts and Professional Studies, or Science, the School of the Arts, Media, Performance and Design, or the Lassonde School of Engineering. For further details on requirements, refer to the listings for specific Honours programs that may be pursued jointly with other Faculties.

Note: in a major/minor program, a course may count only once toward major credit or minor credit.

Minor credits: the Honours Minor in health and society comprises at least 30 credits including the following:

- [AP/SOSC 1801 6.00](#) / [AP/SOSC 1809 6.00](#);
- [AP/SOSC 2110 6.00](#);
- [AP/SOSC 3993 3.00](#);
- nine additional credits at the 3000 level or above chosen from the health and society list of program courses, including at least six credits from the Department of Social Science;
- six social science credits at the 4000 level chosen from the list of health and society courses.

Interdisciplinary BA program in the Faculty of Liberal Arts and Professional Studies. Students must take at least 42 credits in health and society and at least 36 credits in the interdisciplinary program. Courses taken to meet health and society requirements cannot also be used to meet the requirements of the interdisciplinary program. Students in these interdisciplinary programs must take a total of at least 18 credits at the 4000 level including at least 12 credits in health and society and six credits in the interdisciplinary program. For further details of requirements, refer to the listings for specific Honours Double Major Interdisciplinary BA programs.

Note: in a double major program, a course may count only once toward major credit.

Honours Major/Minor BA

The Honours BA program described above may be pursued jointly with approved Honours Minor degree programs in the Faculties of Environmental Studies, Health, Liberal Arts and Professional Studies, or Science, the School of the Arts, Media, Performance and Design, or the Lassonde School of Engineering. For further details on requirements, refer to the listings for specific Honours programs that may be pursued jointly with other Faculties.

Note: in a major/minor program, a course may count only once toward major credit or minor credit.

Honours Minor BA

The Honours Minor BA program described may be combined with any approved Honours BA program that offers a major/minor option in the Faculties of Environmental Studies, Health, Liberal Arts and Professional Studies, or Science, the School of the Arts, Media, Performance and Design, or the Lassonde School of Engineering. For further details on requirements, refer to the listings for specific Honours programs that may be pursued jointly with other Faculties.

Note: in a major/minor program, a course may count only once toward major credit or minor credit.

Minor credits: the Honours Minor in health and society comprises at least 30 credits including the following:

- [AP/SOSC 1801 6.00](#) / [AP/SOSC 1809 6.00](#);
- [AP/SOSC 2110 6.00](#);
- [AP/SOSC 3993 3.00](#);
- nine additional credits at the 3000 level or above chosen from the health and society list of program courses, including at least six credits from the Department of Social Science;
- six social science credits at the 4000 level chosen from the list of health and society courses.

Note: at least six credits in the minor must be at the 4000 level.

BA: 90 Credits

Residency requirement: a minimum of 30 course credits and at least half (50 per cent) of the course credits required in each undergraduate degree program major/minor must be taken at York University.

Graduation requirement: students must successfully complete (pass) at least 90 credits that meet the Faculty's degree and program requirements with a cumulative grade point average of at least 4.00.

General education: a minimum of 21 general education credits as follows:

- 6.00 credits in natural science (NATS)
- a 9.00 credit approved general education course in the social science or humanities categories
- a 6.00 credit approved general education course in the opposite category to the 9.00 credit course in social science or humanities already taken

Major credits: students will take at least 30 credits in health and society including the following:

- AP/SOSC 1801 6.00 / AP/SOSC 1809 6.00;
- AP/SOSC 2110 6.00;
- AP/SOSC 3993 3.00;
- 15 additional credits at the 3000 level or above chosen from the list of health and society courses, including at least six credits from the Department of Social Science.

Upper-level credits: at least 18 credits at the 3000 or 4000 level.

Credits outside the major: at least 18 credits.

Health and Society Courses

Not all of the courses listed below will necessarily be offered in any given year.

With the approval of the program coordinator, and subject to course exclusion and residency requirements, students may complete other courses for program credit in health and society.

- AP/ANTH 3050 3.00
- AP/ANTH 3080 6.00
- AP/ANTH 3190 3.00
- AP/ANTH 3190 6.00
- AP/ANTH 3200 3.00
- AP/ANTH 3280 6.00
- AP/ANTH 3330 6.00

Note: at least six credits in the minor must be at the 4000 level.

BA: 90 Credits

Residency requirement: a minimum of 30 course credits and at least half (50 per cent) of the course credits required in each undergraduate degree program major/minor must be taken at York University.

Graduation requirement: students must successfully complete (pass) at least 90 credits that meet the Faculty's degree and program requirements with a cumulative grade point average of at least 4.00.

General education: a minimum of 21 general education credits as follows:

- 6.00 credits in natural science (NATS)
- a 9.00 credit approved general education course in the social science or humanities categories
- a 6.00 credit approved general education course in the opposite category to the 9.00 credit course in social science or humanities already taken

Major credits: students will take at least 30 credits in health and society including the following:

- AP/SOSC 1801 6.00 / AP/SOSC 1809 6.00;
- AP/SOSC 2110 6.00;
- AP/SOSC 3993 3.00;
- 15 additional credits at the 3000 level or above chosen from the list of health and society courses, including at least six credits from the Department of Social Science.

Upper-level credits: at least 18 credits at the 3000 or 4000 level.

Credits outside the major: at least 18 credits.
