

YORK @IBM

Information Sheet | Winter 2020

The School of Administrative Studies and the Faculty of Liberal Arts & Professional Studies are excited to welcome you to the IBM Canada community, in Markham! Taking your courses at IBM Canada is a wonderful opportunity to experience and engage in a business environment. It is a hub for many companies and you will be immersed in an environment that promotes collaboration and innovation.

While in the new learning space take advantage of resources and perks on-site:

Events and Networking Opportunities

Opportunities are being created for York students and 'IBMer' to connect. Make the most out of your time by attending guest lectures, lunch & learn sessions, and social events.

Advising Services

Same-day "distance advising" is available while you are at IBM Canada. To book an academic advising appointment, please contact the School of Administrative Studies by email at apsas@yorku.ca or visit our onsite office, room C100.

Common Spaces and Facilities

Take advantage of the YorkU Atrium, a designated space on the 1st floor just for you that will be open from Monday to Friday (8:30 a.m. - 4:30 p.m.), and the computer lab in room D115, a quiet space for your computing and photocopy needs.

Food Services

There is a cafeteria onsite that students can access on the 2nd floor, including Tim Horton's, Pizza Pizza and many more.

Parking and Building Entrances

While we encourage everyone to make use of public transit, parking at IBM Canada is also free. You can use the parking structure on the west side of the building. You may enter the building through the 1st floor main lobby or 2nd floor pedestrian bridge once you have your ID badge.

"This is a unique opportunity to be exposed to the corporate environment."

- Astrid Almeida
