Enroling in courses

If a course is **reserved...**

The expression "Course Reserved" means that the seats have been set aside for a specific academic category of student.

If you are enrolling in courses which are appropriate to your year level, major and/or minor, you will have a better chance of meeting the restrictions.

Contact the Department that directly oversees the course to ask for permission to enrol.

*Example: A student interested in AP/**HUMA** 1780 6.00 would call the **HUMANITIES** Department*

You should know:

1. Your student number
2. The Course Code
3. The Section
4. The Tutorial Number (if applicable)

Note: Enrolment is based on course availability. You will be unable to enrol unless there is an available seat.

Enroling in courses

If a **course** is **full...**

The expression "Course Full" means that there are no seats available in a course.

Patience and persistence is required. You will not be able to enrol in a course unless seats become available.

If a **tutorial** is **full...**

If a tutorial is full you will need to enrol in another tutorial with seats available.

*REM will provide a list of all tutorials that still have seats available.

*Note: If a course **required** for your major is full, please inform the department.*

Students may be able to speak with an advisor on the spot, or they may need to book a future appointment. For questions related to a specific major, students should contact their major program office. Before you book an academic advising appointment, see these [Frequently Asked Questions](#) for the information you need.
